IS YOUR SCHOOL/DISTRICT IN COMPLIANCE WITH THE REVISED CCCS FOR 2.1-2.4? IMPLEMENTATION DEADLINE IS SEPTEMBER 1, 2012. USING THE YES You Can! CURRICULA PUTS SCHOOLS IN COMPLIANCE WITH THE AIDS PREVENTION ACT AND ENABLES THEM TO MEET 94% OF REVISED 2.4 AND 71% OF 2.1-2.4!

Using the **YES You Can!** curricula assures schools that they have current, medically accurate information in their classrooms and that the tool they are using has been systematically evaluated. This character based curricula has a strong theoretical base and is grounded in social-cognitive, social learning, and protection motivation theories.

Evaluation, Institute for Research and Evaluation, Salt Lake City, Utah, March 2011

"Evidence-based practice with evidence of high quality and good evidence of effectiveness...attained strong results at changing youth attitudes on key predictors of sexual activity."

Review, NJ Department of Health and Senior Services, August 2011

Re Approach Regarding Sexual Involvement and Other Risks: "written with clear teaching objectives...presents information in a relevant and compelling manner that has the potential to change attitudes, values and beliefs; very well done...presented in a format that would allow a teacher to implement lessons in an efficient and effective manner...Teacher materials and classroom resources appear to support a strong learning program."
